Mrs. Frank Jones of 106 South Main street, Barre, Vt., says: "About five years ago I had such severe pains in my back that I could hardly get around the house. If I arose quickly after stooping I had spells of dizziness and dark spots before my eyes, while at night it was almost impossible for me to sleep. One day when my back ached so severely that I had to go around in a stooped position I was advised to get Doan's Kidney Pills at E. A. Drown's drug store. I procured a supply and commenced taking the remedy. In a few days I knew I was being benefited, for my back became stronger and better. I continued taking Doan's Kidney Pills until the pains in my back disappeared. I had no more dizziness since then, when I have overworked or taken cold, there have been recurrences of the trouble in a mild form. I have then taken a few doses of Doan's Kidney Pills and they have never failed to relieve me."

MONTPELIER

Former Montpelier Man Returns to Find Many Changes.

Avery J. Bradish and wife of Los Angeles, Cal., arrived in this city Thursday evening for a brief visit. Mr. Bradish was a native of Woodbury and left this section of the country 40 years ago, at the age of 16 years, for Chicago, where he remained until 21 years ago, when he went to Los Angeles. He became a member of the police force and made such an admirable record that he was appointed captain, which position he still holds. This is his first visit in this vicinity for 31 years and he finds everything greatly changed. The only man in this city whom he knew was Murray A. Kent and they talked things over at great length. He is a nephew of the late Joseph Bradish who was at one time sheriff of this county.

The will and testament of the late H. S. Boutwell was filed for record with the probate court yesterday and A. J. Sibley was appointed executor.

Frank Mansell of Newburg, N. Y., has commenced work for the Consolidated Lighting company. He will have charge of the commercial work. He was formerly in charge of similar work for the Newburg Light and Power company. W. E. Gay, who was with the General Electric company of Lynn, Mass., has arrived and gone to work for the Consolidated.

Dr. E. A. Bishop of Montpelier seminary, speaks enthusiastically of the prospects of the school for the year. He expects a large attendance, especially of girls. The rooms in the girls' self-boarding hall have never been so well fitted as the applications for entrance show that they will be this year. In the main hall similar conditions prevail. The boys self-boarding and main hall rooms will be taken up about the same as usual.
